Safeguarding Basic Awareness Training for the
Eastbourne and St Leonard's Deaneries

on Wednesday, 29th November at St Mary
Magdalene, Bexhill, TN40 1RH from 7 pm-9 pm.

The training is for everyone but particularly for those who have a role which requires a DBS check within the parishes and are working with vulnerable groups (children and adults at risk). As we will be introducing Refresher Training from 2018, there will be one basic training session per Deanery each year and one Refresher Training session per Deanery.

Dates will be put on the Diocesan website once they are arranged, so please also ask parishioners to look on the Website too. This basic training is for those who have **not** already attended the previous sessions.

We would be grateful to have names/numbers by *Wednesday, 22nd November* for refreshment and handout purposes. You can book by contacting Chris Emary on 07518 521286. It is also possible for individuals to book for this session via the Arundel and Brighton Diocesan Website in the Safeguarding Section under Courses & Events.

If you prefer to undertake on-line training, email safeguarding@dabnet.org with your name, parish and role, we can register you with EduCare, the national on-line training provider. The sections in the modules can be dipped in and out of so can be done when convenient.
