

St. Mary Star of the Sea Church - Pallottine Fathers

January 5, 2021

Dear Parishioners,

During this new lockdown period our Mass schedule is as follows:

Saturday evening Vigil Mass:	6.00pm
Sunday Morning Masses:	10.00am and 11.30am
Wednesday:	10.00am
Friday:	10.00am

Please note there will be **no Saturday morning** Mass, Confessions or adoration. If anyone is urgently in need of confession, they should phone my house number 01424421263. Leave a message and your number and I will get back to you. The same applies if someone is ill and in need of the Sacrament of Anointing.

On other days when there is no public Mass, I will record and post it as usual on the parish website, youtube and facebook.

Bishop Richard has reminded us that the obligation to attend Mass is suspended during the pandemic, so do not feel under pressure to attend if you are nervous about infection and especially if you or your family are vulnerable.

It is vital that we follow the government regulations for the sake of everyone's safety, including NHS staff who are under great pressure in hospitals due to the rise in the numbers of coronavirus cases.

When you come to Mass please do not mingle with anyone from outside of your household. Many of us live alone and feel the need of contact with others but we offer up that need to the Lord in His isolation for the blessing and the good of the whole community.

Wishing you every blessing and sending you my Love and prayers,

Kind regards,

Father Eamonn
